

VEHICLES

DON'T DRIVE OFF WITHOUT THIS

Keeping your vehicle (including motorcycles, boats, RVs, etc.) information all in one spot can be helpful when you move from state-to-state or overseas. You will need various documents to register your vehicle in different states or if you have to ship or store your vehicles.

File Here:

- Loan/lease/purchase agreements
- Title/VINs
- Copies of insurance cards
- Copies of registration
- Warranty information
- _____
- _____

You should also know...

Before going to your local Department of Motor Vehicles (DMV), check their website to make sure you have collected all the required documents.

Hint: The Servicemembers Civil Relief Act and the Military Spouse Residency Relief Act allow active duty military members and their spouses to register vehicles either in the State in which they currently reside or in their State of residency. Check with your local DMV for more information.
