Dear Mrs. Jacobs,

Whiteman Air Force Base currently has an on-base bank, but they have decided to cease operations. In light of this, we are interested in soliciting other banks in the area to provide similar services to the base populace. The location available is a stand alone building with drive through and ATM on site. The Department of the Air Force Comptroller will grant final approval based on evaluation of the proposals received. All financial institutions on Department of Defense (DoD) military installations must follow the policies outlined in the DoD Financial Management Regulation (FMR), Volume 12, Chapter 33 and DoD Instruction 1000.11. The DoD FMR is available at https://comptroller.defense.gov/Portals/45/documents/fmr/Volume_12.pdf. The DoD Instruction is available at <https://www.esd.whs.mil/Portals/54/Documents/DD/issuances/dodi/100011p.pdf?ver=2018-05-17-073951-517>.

The financial institution selected will be expected to be a Treasury designated deposit and accept Treasury General Account (TGA) deposits consisting of cash and checks. A federal insurance corporation must insure the selected financial institution. Additionally, the selected financial institution should be willing to consider providing personal check cashing services to DoD identification card (ID) holders.

The attached questionnaire is provided to assist in the evaluation process. The review of proposals will include areas such as: (1) total services offered, (2) service charges, (3) loan rates, (4) interest paid on various types of savings, (5) demonstrated financial capability, and (6) service awards the financial institution has received.

Please distribute this solicitation to member banks of the Association of Military Banks of America that meet the TGA criteria for their information and consideration in becoming our new bank. Any interested bank can contact my POC for further information or submit a written proposal, including a completed questionnaire (attached), to the following address 90 days following this initiation.
